Mobile Citizen Technology Assistance Grant Program for Philadelphia Nonprofits

Finally! Affordable high-speed broadband Internet for limited technology budgets. Apply today for up to 25 accounts.

Mobile Citizen is dedicated to the dedicated. That's why our mission is to provide non-profit organizations with affordable access to the Internet with the most advanced, reliable and secure mobile broadband service in the country. Unlike other broadband services, Mobile Citizen's wireless broadband is powered by WiMAX, a 4G technology from Clearwire Corporation, the country's leading mobile broadband network provider. Mobile Citizen's **Technology Assistance Grant** program helps Philadelphia nonprofits stretch their budgets further and pumps up staff and volunteer productivity, making it easier for them to deliver on their own missions.

**ONLY
\$10***

per account
per month

All grant recipients receive reduced-price CLEAR service* from Mobile Citizen with unlimited usage for only \$120/year or \$10/month per account, and absolutely no implementation costs. Organizations can request up to 25 accounts as a part of this grant. Additionally, this grant includes a variety of benefits available only to grantees:

- 12 months of CLEAR service from Mobile Citizen extended to 15 months at no additional charge. With this, you'll receive 3 free months of service per account.
- Dedicated Mobile Citizen Customer Care customized for non-profit organizations
- A free one-year membership to NTEN, an organization of non-profit professionals who put technology to use for their causes, for ongoing information and news as well as access to a support community

* Grant does not include the cost of WiMAX modem or WiMAX-enabled laptop. Grantees can purchase WiMAX modems from Mobile Citizen or they can supply their own.

CLEAR from Mobile Citizen. Great broadband benefits for your nonprofit.

For non-profit organizations looking for wireless access to the Internet, or a low cost broadband alternative to cable or DSL, Mobile Citizen can offer an affordable solution.

MOBILE INTERNET

Does your non-profit organization have staff or volunteers who need wireless Internet access from their laptops?

CLEAR from Mobile Citizen is particularly useful to nonprofits with mobile or field-based staff or volunteers – healthcare agencies, social service providers, fundraising staff and community outreach organizations – who need anytime/anywhere, high-speed, secure access to the Internet, including the ability to:

- submit claims and applications on behalf of clients
- get access to databases during field visits and fundraising events
- report canvassing activity results back into their organization
- take online registrations at events
- log in to email and hosted applications
- reduce overhead by allowing employees to work out of office

BROADBAND INTERNET

Does your non-profit organization have DSL or cable access to the Internet and need a more affordable broadband alternative?

CLEAR from Mobile Citizen offers non-profit staff and volunteers high-performance access to the Internet in or out of the office, leading to increased productivity and cost savings for your organization. Nonprofits can use CLEAR from Mobile Citizen for access to:

- web-based applications
- email access
- Internet browsing
- social networking

Apply now. It's simple!

The number of CLEAR accounts available through Mobile Citizen's Technology Assistance Grant program is limited so apply today!

Interested non-profit organizations can go to www.mobilecitizen.org/grantform to complete a simple application online. The process will take less than 10 minutes. It's that simple.

If you have questions about the service, the grant or want assistance in completing the application, please contact customerservice@mobilecitizen.org or call 1.877.216.9603.

Technology Assistance Grant Eligibility

To be eligible for the grant program, organizations must first fit the eligibility criteria for Mobile Citizen's service. See www.mobilecitizen.org/qualified-organizations for details. Additionally, eligible nonprofits include, but are not limited to, the following focus areas:

1. Health, human & social services nonprofits
2. Civil rights, social action & advocacy groups
3. Environmental nonprofits
 - a. Environmental alliance & advocacy organizations
 - b. Wildlife preservation & protection groups
4. Creative organizations
 - a. Arts & humanities councils/agencies
 - b. Media, publishing & communications nonprofits
5. Community organizations & neighborhood development organizations
6. Education/training organizations
 - a. Public and private schools
 - b. Educational alliances & advocacy groups
 - c. Educational services nonprofits
 - d. Vocational counseling and job training nonprofits
7. Youth development groups
8. Philanthropy, voluntarism and grant-making foundations with annual budgets of less than \$100,000

Ineligible nonprofits include, but are not limited to, the following areas:

1. Commercial organizations, credit-counseling services, donation middleman services, and organizations that derive the bulk of their revenue from user fees.
2. Organizations that are religious or political in nature are not eligible for the program unless they plan to use the mobile broadband accounts for social welfare, school, or community initiatives.
3. Membership organizations are not allowed to distribute accounts to their members but these organizations can participate in the program as long as the CLEAR accounts will be for internal use (staff/volunteers).
4. Hate group organizations are not eligible to purchase accounts from Mobile Citizen.

Grantee Requirements & Responsibilities

- Grantees are responsible for the reduced-price of \$120/year per requested CLEAR from Mobile Citizen account.
- Because there are a limited amount of CLEAR from Mobile Citizen accounts for this grant program, Mobile Citizen wants to make sure the accounts will be used by the organizations that truly need them, and will use them to meet an immediate need.
- Coverage is available only in CLEAR coverage areas. Today, those areas are Chicago, Kansas City, Las Vegas, Philadelphia, Portland/Salem and Salt Lake City. Grantee organizations and their outreach work should also be in those metro areas.
- Grantees will be using the CLEAR accounts in their own organization. Accounts are not to be resold.
- Grantees should be willing to share their 'best practices' with other nonprofits. Mobile Citizen, together with NTEN, wish to create a community of nonprofits who learn from each other's experiences with mobile broadband.
- Public relations outreach is not allowed without Mobile Citizen consent. Since this program has a public relations component to it, Mobile Citizen will work with grantee organizations to promote the program in a collaborative way after the grants have been awarded.

Grant Terms & Exclusions

- Grant applicants can request up to a maximum of 25 CLEAR from Mobile Citizen accounts per organization.
- Grantees are responsible for the reduced-price of \$120/year per requested CLEAR from Mobile Citizen accounts. As a part of this grant program, each 12-month account will be extended to 15 months at no additional charge.
- Grant does not include the cost of WiMAX modem or WiMAX-enabled laptop. Grantees can purchase WiMAX modems from Mobile Citizen or they can supply their own.
- Grant includes dedicated customer care and NTEN membership.
- Grant recipients will be notified of eligibility within four weeks of submitting their application. Mobile broadband service will be activated within 48 hours after order has been placed.
- Mobile Citizen reserves the right to decline applicants in its sole discretion, even if they meet the criteria.
